Status of the CHWD Revenue Refunding Certificates of Participation, Series 2010

Accounting Supervisor Sohal reported that the Citrus Heights Water District Financing Corporation (the Corporation) was formed in July 2000 for the purpose of issuing the $7.9 million in Certificates of Participation (COPs) for the financing of water meter retrofits and well improvements. Section 3.5 of the Bylaws for the Corporation requires that an annual meeting be held each year. In June 2010, the Corporation authorized the refunding of the Series 2000 COPs with the issuance of the Revenue Refunding COPs, Series 2010, in the amount of $5,155,000. The purpose of the meeting is to review information or developments related to the COP financing and to fulfill a legal requirement for California non-profit corporations.

Included with Directors' agenda packets was a copy of the Continuing Disclosure Annual Report for the Revenue and Revenue Refunding COPs (Attachment 1). This report is a requirement of the District's COP issuance and is generally required for all publicly-traded securities. It is filed with Nationally Recognized Municipal Securities Information Repositories where these reports are made available to the public. The Annual Report shows the status of the principal on the COPs and other financial and operating information about the District as of December 31, 2014. The balance outstanding on the COPs at that time was $2,980,000.00.

The District made two installment payments in 2014 on the Series 2010 COPs for a total of $567,250.00; $435,000.00 as repayment of principal on the COPs; and $132,250.00 in interest on the debt. The District has six years of payments remaining on this 10-year debt refunding as of December 31, 2014 (Attachment 2).

The debt under the San Juan Water District (SJWD)/CHWD COPs, originally issued in 2003, was not issued under the authority of the CHWD Financing Corporation, since it was done under the authority of the San Juan Suburban Water District Financing Corporation. However, staff has typically reported on the status of the SJWD/CHWD debt issuance at the time of the CHWD Financing Corporation Annual Meeting.

CHWD participated with SJWD in a refunding of the 2003 Series debt that was completed in May 2012. The new debt issuance is identified as the SJWD/CHWD Refunding Revenue Bonds, Series 2012A. This refunding resulted in a savings to SJWD and CHWD over the remaining life of their respective debt. The principal amount outstanding on the Series 2012A bonds as of December 31, 2014 was $2,090,000.00 CHWD’s annual principal and interest payments on the Series 2012A debt ranges from $167,287.00 to $175,878.00 annually over the remaining life of the debt through its retirement in 2033.

The District’s AA bond rating on its debt was most recently reaffirmed in April 2012 during the process of refunding the Series 2003 COPs. The rating is a continued affirmation of the District’s strong financial policies and financial stability.

Directors and staff discussed the District’s debt issuances.
ADJOURNMENT

There being no other business to come before the Board, the meeting was adjourned at 6:47 PM by President Dains.
