CONSENT CALENDAR

President Dains asked for the Consent Calendar. GM Churchill stated that there were three invoices that had been received after the cut-off date for preparing the list of Payables for this agenda, and that the invoices all exceed staff's \$8,000.00 authority for paying the bills without signatures of two Directors. One of the invoices is from Sacramento Municipal Utility District (SMUD) for electric service for various CHWD facilities and the other two invoices are from San Juan Water District (SJWD) for water purchases and for debt service. Because of the five-week interval between the March 10,

March 10, 2015
Board of Directors Meeting

2015 Board meeting and the April 14, 2015 Board meeting, the bills will become delinquent if not approved now and signed by Directors. Therefore, GM Churchill recommended that the Board take action to place the bills on the agenda for consideration along with the other Payables for February 2015.

Motion: It was moved by Director Dains and seconded by Director Sheehan to find a need to take immediate action on the approval of invoices from SMUD and SJWD that arose after the posting of the agenda for the March 10, 2015 Board of Directors meeting, and to include these invoices on the list of Payables for February 2015.

The motion passed 3-0 with all Directors voting yes.

Director Dains asked for a motion on the Consent Calendar.

AGM Kane stated that there was an error in the 2015 Operating Expenditure vs. Budget document that was distributed with the financial reports for February 2015. A corrected version of the document was distributed to Directors.

Motion: It was moved by Director Sheehan and seconded by Director Riehle to accept the Consent Calendar consisting of:

1. Minutes of the Regular Meeting – February 10, 2015.
2. Assessor/Collector's Report for February 2015.
3. Assessor/Collector's Roll Adjustments for February 2015.
4. Treasurer's Report for February 2015.
5. Payables for February 2015.
6. CAL-Card Purchases for February 2015.

The motion passed 3-0 with all Directors voting yes.

Assistant General Manager Recruitment

GM Churchill provided a report on the status of the Assistant General Manager recruitment process. Outreach to identify potential candidates of the District's vacant Assistant General Manager position has been completed by CPS HR Consulting. A total of 67 applications were received by the consultant.

On February 27, 2015, an interview panel composed of Board President Allen Dains, GM Robert Churchill, Interim AGM David Kane and former AGM Darlene Gillum interviewed seven candidates. Consideration of an offer of employment to a candidate is pending. Directors were provided with an updated schedule for filling the vacancy.

Administration Building Improvements

GM Churchill presented a status report on the construction phase of the Administration Building Expansion and Renovation Project. Construction commenced on January 20, 2015, with a projected completion date of September 22, 2015. The Administrative staff has relocated temporarily to leased office space at 7011 Sylvan Road and Board of Directors Meetings will be held at this temporary location until the expansion and renovation work is complete.

Directors were provided with a list of tasks undertaken and underway by the contractor. Directors and staff discussed the project. GM Churchill noted that work on the project is currently about 10 days ahead of schedule.

San Juan Water District / Sacramento Suburban Water District Joint Meetings

GM Churchill presented a report regarding San Juan Water District (SJWD) and Sacramento Suburban Water District (SSWD) Joint Meetings. No public meetings have been conducted since the report presented at the February 10, 2015 CHWD Board of Directors meeting. Directors were provided with a copy of a letter from Carmichael Water District (CWD) to the Board of Directors Presidents of SJWD and SSWD. The letter presents CWD's thoughts on issues discussed at a January 27, 2105 meeting with the General Managers of SJWD and SSWD.

Directors were also provided with a summary of next steps in the process and a schedule

for upcoming meetings. Directors and staff discussed the status of the process and possible issues of concern to CHWD.

Antelope Pump Back Booster Pump Station Project

GM Churchill presented a report on the Antelope Pump-Back Booster Pump Station Project being proposed by San Juan Water District (SJWD) and Sacramento Suburban Water District (SSWD). As reported previously, SJWD is considering a project with SSWD whereby SSWD's current Antelope pumping facility will be modified to pump surplus SSWD groundwater to SJWD – Wholesale (SJWD-W) in dry years, during planned outages of SJWD-W or United States Bureau of Reclamation (USBR) facilities, or in emergencies. The primary beneficiaries of the pump-back groundwater project are proposed to be San Juan Water District's retail customers, Orange Vale Water Company and the City of Folsom's service area north of the American River (also known as the Ashland area). As presently proposed, those benefitting agencies noted above will be paying approximately \$1.935 million for upgrades to the Antelope Pump Station through a capital program sub-charge by SJWD-W.

At the January 13, 2015 Board of Directors Meeting the Board was provided with GM Churchill's December 1, 2014 letter to SJWD GM Shauna Lorance detailing CHWD's questions and concerns related to assignment of capacity, use of facilities and the operation of the Project and equity between the retail customers served by SJWD-W. Also provided was SJWD's January 6, 2015 response to CHWD's comment letter.

Directors were provided with a copy of a joint letter from Fair Oaks Water District (FOWD) and CHWD commenting on the "Agreement for Ownership, Operations, and Maintenance of the Antelope Pump-Back Booster Pump Station." This letter was delivered by CHWD Vice President Sheehan and FOWD President McRae to the SJWD Board of Directors at their February 25, 2015 Board Meeting. GM Churchill and FOWD GM Gray were also in attendance. A response by March 13, 2015 was requested.

An "Operations Plan" for delivering the water from SSWD to SJWD was presented by SJWD staff to their Engineering Committee on March 4, 2015. FOWD GM Gray attended this meeting. The Pump Back Agreement was on the agenda for SJWD's Legal Affairs Committee Meeting on March 5, 2015. CHWD AGM Kane attended this meeting. These items will continue to be evaluated to determine if there are benefits or adverse consequences to the District.

Directors and staff discussed the proposed project and possible issues of concern to CHWD.

Skycrest Well Equipping

GM Churchill reported on the status of the acquisition and installation of equipment for the Skycrest Well. At the January 13, 2015 Board Meeting the Board accepted the bid of R.E. Smith Contractor, Inc. in the amount of \$1,822,000.00.

March 10, 2015
Board of Directors Meeting

An Agreement for Construction Services between the District and R.E. Smith Contractor, Inc. was executed on February 23, 2015. The Contractor has been issued a Notice to Proceed with construction expected to start on March 9, 2015. Completion is expected by October 1, 2015.

NEW BUSINESS

Training/Continued Education/Meetings

The Board was informed of various upcoming training, continued education opportunities and meetings.

Investment of District Funds Policy

AGM Kane presented a report on the District's investment policy. Section 6300.90 of the investment policy specifies that the policy shall be reviewed, modified as necessary and re-adopted or amended at least annually. The policy was last reviewed and amended by the Board in February 2014. A copy of the policy is attached for review.

The policy has been reviewed by District staff and by District Legal Counsel Judy Albietz. Ms. Albietz' annual review covers the existing Policy and the current California Government Code Sections related to public agency investments. Ms. Albietz' review found no changes in the Government Code during 2014 affecting the current Investment Policy. Review by District staff also did not reveal any changes required. Therefore, it is recommended that the policy be readopted with no changes.

Directors and staff discussed the investment policy.

Motion: It was moved by Director Sheehan and seconded by Director Riehle to readopt District Policy No. 6300, Investment of District Funds with no changes.

The motion carried 3-0 with all Directors voting yes.

Administration Building Furnishings

GM Churchill presented a report on furniture procurement for the remodeled Administration Building. Corporate Design Group (CDG) is part of the Administration Building Design team as a sub-consultant to the Blackbird Associates architectural firm. Included in Blackbird's scope of work was CDG's involvement in the selection of colors and finishes for the project including window coverings, flooring, and other interior finishes. Furnishings were not a part of CDG's work under Blackbird.

Logically, the furnishings need to both fit the space and complement the architectural theme. CDG has prepared a budget of just under \$68,000 for furnishings to best fit the surroundings. At question is whether the furnishings need to be competitively bid. CDG prepared a proposal to solicit bids for the furnishings; however staff needs to do additional research before providing a recommendation to the Board of Directors.

Directors and staff discussed the furnishings design process and the procurement process.

GM Churchill stated that more information and a recommendation will be brought to the Board at their April 14, 2015 Board of Directors Meeting.
