CITRUS HEIGHTS WATER DISTRICT

DISTRICT STAFF REPORT TO BOARD OF DIRECTORS JUNE 18, 2024 SPECIAL MEETING

SUBJECT : DISCUSSION AND POSSIBLE ACTION TO CALL FOR A NOVEMBER 5, 2024 ELECTION
 STATUS : Action Item
 REPORT DATE : June 5, 2024
 PREPARED BY : Brittney Moore, Administrative Services Manager/Chief Board Clerk

OBJECTIVE:

Consider adoption of Resolution 07-2024 calling for a November 5, 2024 election of a Director for a regular 4-year term in Division One.

BACKGROUND AND ANALYSIS:

Citrus Heights Water District (CHWD or District) staff has prepared a resolution calling for and conducting of an election in Sacramento County.

The nomination period for candidates for the CHWD Board of Directors begins July 15, 2024, and ends August 9, 2024.

As in prior elections, in the event of a tie vote for the Board position, the winner will be determined by lot selected by the Registrar of Voters of the County of Sacramento.

CHWD currently elects its Board of Directors through a “by-district” electoral system in which each Board member must reside within a defined division within CHWD’s boundaries and is elected by the voters of that division.

CHWD’s division boundaries were last reviewed and adopted in December 2021 to reaffirm equity of the population among the three Divisions. The District received and reviewed data from the 2020 Census, showing relatively few changes in the divisions. There was only a 4% deviation in population, well below the recognized 10% threshold that would necessitate a realignment of the divisions.

RECOMMENDATION:

Adopt Resolution 07-2024 calling for a November 5, 2024 election of a Director for a regular 4-year term in Division One.

CITRUS HEIGHTS WATER DISTRICT
RESOLUTION NO. 07-2024

RESOLUTION OF THE BOARD OF DIRECTORS
CALLING FOR A NOVEMBER 5, 2024 ELECTION OF A DIRECTOR FOR A
REGULAR 4-YEAR TERM IN DISTRICT ONE

WHEREAS, an election will be held on November 5, 2024 within the Citrus Heights Water District that will affect Sacramento County for the purpose of electing one member to the District's Board of Directors for a full four-year term; and

WHEREAS, a Presidential General Election will be held within the County of Sacramento on the same day; and

WHEREAS, Elections Code §10403 requires jurisdictions to file with the Board of Supervisors, and a copy with the Registrar of Voters, a resolution requesting consolidation with a statewide election; and

WHEREAS, pursuant to Elections Code §10509, the Board of Directors of the Citrus Heights Water District orders an election to be held in its jurisdiction on said date, at which the election issue to be presented to the voters shall be:

ELECTION OF A DIRECTOR FOR THE CITRUS HEIGHTS WATER DISTRICT

1. Said election shall be to fill a vacancy for the following Board Member whose term expired:

District One: Full 4-Year Term currently held by Caryl F. Sheehan
whose term will expire on the first Friday of December 2024.

2. Said Director for this District is elected in the following manner:

Qualified by District-Elected by District. Directors must qualify to run by living in a specific District; only voters residing in that division of the District may vote on candidate.

3. The District has determined the following election particulars:

- a. In the case of a tie vote, the election shall be determined by lot by the Registrar of Voters of Sacramento County.
- b. The length of the Candidate Statement shall not exceed 200 words.
- c. The cost of the Candidate Statement shall be prepaid to the Voter Registration and Elections office by the Candidate.

4. The District hereby certifies that there have not been changes to the District's

Division boundary lines since the District's last election, but the District understands that the Registrar of Voters of Sacramento County will verify our District and District Division boundary lines prior to qualifying Candidates for the election.

NOW, THEREFORE, BE IT RESOLVED, THAT THE BOARD OF DIRECTORS OF THE CITRUS HEIGHTS WATER DISTRICT requests that the Board of Supervisors of Sacramento County to consolidate the regularly scheduled General District Election with the Presidential General Election to be held on November 5, 2024; and

BE IT FURTHER RESOLVED that the Citrus Heights Water District agrees to reimburse the Registrar of Voters of Sacramento County for actual costs accrued to provide election services; such costs to be calculated by the method set forth in the County's current Election Cost Allocation Procedures; and

NOW THEREFORE BE IT RESOLVED that the Candidates are to pay the Voter Registration and Elections office for the publication of the voluntary Candidate's Statement, pursuant to Elections Code §13307. The limitation on the number of words that a Candidate may use in his or her voluntary Candidate's Statement is 200 words.

This Resolution shall be considered a Notice of Election and Specification of Election Order if applicable.

DISTRICT STAFF REPORT TO BOARD OF DIRECTORS JUNE 18, 2024 SPECIAL MEETING

SUBJECT : DISCUSSION AND POSSIBLE ACTION TO APPROVE POLICY 4950.00
WORKPLACE VIOLENCE PREVENTION AND ADOPT RESOLUTION 08-
2024 ADOPTING A WORKPLACE VIOLENCE PREVENTION PROGRAM

STATUS : Action Item

REPORT DATE : June 6, 2024

PREPARED BY : Brittney Moore, Administrative Services Manager/Chief Board Clerk
Teresa L. Highsmith, Special Counsel, Labor and Employment

OBJECTIVE:

Consider adopting proposed policy 4950.00 Workplace Violence Prevention and Resolution 08-2024 adopting a Workplace Violence Prevention Program.

BACKGROUND AND ANALYSIS:

In May 2021, an employee of the Santa Clara Valley Transportation Authority (VTA) committed a mass shooting, killing nine (9) other VTA employees. In response to this tragic event, along with growing concerns related to workplace violence, Senate Bill 553 (SB553) was developed to help employees and employers establish a plan to help prevent and respond to various types of workplace violence. SB553 was signed into law on September 20, 2023, by Governor Gavin Newsom, and requires California employers to adopt a formal workplace violence prevention plan (WVPP or plan), effective July 1, 2024.

Ensuring that every employee is provided with safe working conditions has always been the mission of Citrus Heights Water District (CHWD or District); and staff has been attending SB553 related trainings and working with Labor counsel along with the District's risk-sharing pool Association of California Water Agencies Joint Powers Insurance Authority (ACWA JPIA), since March 2024 to develop a plan that is comprehensive and enhances existing illness and injury prevention procedures and protocols to protect employees from workplace violence.

CHWD's draft plan (Attachment 2-Exhibit A) addresses hazards known to be associated with four main types of workplace violence as defined by Labor Code (LC) section 6401.9. Additionally, plan administrators and their responsibilities are identified, along with procedures for incident reporting and hazard corrections. This plan is modeled on the form plan provided by Cal OSHA for this purpose.

Should the Board approve the proposed policy and resolution, The District's Special Counsel for Labor and Employment, Teresa Highsmith will lead a workplace violence prevention training for all staff during the week of June 24, 2024.

Administrative Services staff, the District's Labor Counsel, Safety Officer, and Director of Operations have reviewed and provided input into the development of the plan. Upon the Board's approval of policy 4950.00 and Resolution 08-2024, the plan will be handled administratively, reviewed annually, and updated as necessary.

RECOMMENDATION:

Approve Policy 4950.00 Workplace Violence Prevention and adopt Resolution 08-2024 Adopting a Workplace Violence Prevention Program.

WORKPLACE VIOLENCE PREVENTION PROGRAM

Citrus Heights Water District

Our establishment's Workplace Violence Prevention Plan (WVPP) addresses the hazards known to be associated with the four types of workplace violence as defined by [Labor Code \(LC\) section 6401.9](#).

Date Adopted: June 18, 2024 by CHWD Board of Directors Resolution 08-2024

Date of Last Revision(s):

DEFINITIONS

Emergency - Unanticipated circumstances that can be life threatening or pose a risk of significant injuries to employees or other persons.

Engineering controls - An aspect of the built space or a device that removes a hazard from the workplace or creates a barrier between the employee and the hazard.

Authorized Representative – a person authorized in writing by the employee to take an action described in this plan as an “authorized representative” action. The employee authorization will expire after the authorized action is fulfilled. The District may take reasonable steps to verify the identity of the representative.

Log - The violent incident log required by LC section 6401.9.

Plan - The workplace violence prevention plan required by LC section 6401.9.

Serious injury or illness - Any injury or illness occurring in a place of employment or in connection with any employment that requires inpatient hospitalization for other than medical observation or diagnostic testing, or in which an employee suffers an amputation, the loss of an eye, or any serious degree of permanent disfigurement, but does not include any injury or illness or death caused by an accident on a public street or highway, unless the accident occurred in a construction zone.

Threat of violence - Any verbal or written statement, including, but not limited to, texts, electronic messages, social media messages, or other online posts, or any behavioral or physical conduct, that conveys an intent, or that is reasonably perceived to convey an intent, to cause physical harm or to place someone in fear of physical harm, and that serves no legitimate purpose.

Workplace violence - Any act of violence or threat of violence that occurs in a place of employment.

Workplace violence includes, but is not limited to, the following:

- The threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma, or stress, regardless of whether the employee sustains an injury.
- An incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury.

Exhibit A

- The following four workplace violence types:

Type 1 violence - Workplace violence committed by a person who has no legitimate business at the worksite and includes violent acts by anyone who enters the workplace or approaches employees with the intent to commit a crime.

Type 2 violence - Workplace violence directed at employees by customers, clients, patients, students, inmates, or visitors.

Type 3 violence - Workplace violence against an employee by a present or former employee, supervisor, or manager.

Type 4 violence - Workplace violence committed in the workplace by a person who does not work there but has or is known to have had a personal relationship with an employee.

Workplace violence does not include lawful acts of self-defense or defense of others.

Work practice controls - Procedures and rules which are used to effectively reduce workplace violence hazards.

Exhibit A

RESPONSIBILITY

The WVPP plan administrators shall be:

Responsible Persons	Job Title/Position	WVPP Responsibility(ies)	Phone #	Email
Hilary Straus	General Manager	Overall responsibility for the plan; General Manager approves the final plan and any major changes.	916-725-6873	hstraus@chwd.org
Brittney Moore	Administrative Services Manager	Responsible for employee involvement and training; Administrative Services Manager updates training materials and handles any reports of workplace violence.	916-735-7711	bmoore@chwd.org
Kelly R. Drake	Water Efficiency Supervisor/Safety Officer	Responsible for emergency response, hazard identification, and coordination with other employers; Safety Officer conducts safety inspections, coordinates emergency response procedures, organizes safety meetings, and communicates with other employers about the plan.	916-735-7719	kdrake@chwd.org

All managers and supervisors are responsible for implementing and maintaining the WVPP in their work areas and for answering employee questions about the WVPP.

EMPLOYEE ACTIVE INVOLVEMENT

The District ensures the following policies and procedures to obtain the active involvement of employees and authorized employee representatives in developing and implementing the plan:

- Management will work with and allow employees and authorized employee representatives to participate in:
 - Identifying, evaluating, and determining corrective measures to prevent workplace violence. Management will have periodic safety meetings with employees and their authorized representatives to discuss identification of workplace violence related concerns/hazards, evaluate those hazards and/or concerns, and how to correct them. These meetings may involve brainstorming sessions, discussions of recent incidents, and reviews of safety procedures. Designing and implementing training. Employees are encouraged to participate in designing and implementing training programs. At the discretion of the plan administrator(s), employee suggestions may be incorporated into the training materials. For example, an employee might suggest a new training scenario based on a recent incident.
 - Reporting and investigating workplace violence incidents as described in Workplace Violence Incident Reporting Procedure below.
- Management will ensure that all workplace violence policies and procedures within this written plan are clearly communicated and understood by all employees. Managers and supervisors will enforce the rules fairly and uniformly.

Exhibit A

- All employees will follow all workplace violence prevention plan directives, policies, and procedures described in this workplace violence prevention plan, and assist in maintaining a safe work environment.
- The plan shall be in effect at all times and in all work areas and be specific to the hazards and corrective measures for each work area and operation.

EMPLOYEE COMPLIANCE

Our system ensures that employees comply with the rules and work practices that are designed to make the workplace more secure, and do not engage in threats or physical actions which create a security hazard for others in the workplace, and include:

- Training employees, supervisors, and managers in the provisions of the District Workplace Violence Prevention Plan (WVPP).
- Providing retraining to employees whose safety performance is deficient with the WVPP.
- Recognizing employees who demonstrate safe work practices that promote the WVPP in the workplace by memos/emails of recognition.
- Disciplining employees for failure to comply with the WVPP.

COMMUNICATION WITH EMPLOYEES

We recognize that open, two-way communication between our management team, staff, and other employers, about workplace violence issues is essential to a safe and productive workplace. The following communication system is designed to facilitate a continuous flow of workplace violence prevention information between management and staff in a form that is readily understandable by all employees, and consists of:

- The District shall record each yearly WVPP training, and new employee orientation shall include reviewing the most recent WVPP training video.
- Workplace violence prevention training programs.
- Quarterly meetings that address security issues and potential workplace violence hazards.
- Communication between employees and supervisors about workplace violence prevention and violence concerns, without fear of retaliation.
- This WVPP shall be posted on the District website.
- How employees can report a violent incident, threat, or other workplace violence concern to employer or law enforcement without fear of reprisal or adverse action.
 - Employees can anonymously report a violent incident, threat, or other violence concerns.
 - Emergency response contacts are listed below in Emergency Response Procedures.
- Employees will not be prevented from accessing their mobile or other communication devices to seek emergency assistance, assess the safety of a situation, or communicate with a person to verify their safety.
- Employees' concerns will be investigated in a timely manner, and they will be informed of the results of the investigation and any corrective actions to be taken, as described below in Procedures for Post Incident Response and Investigation.

COORDINATION WITH OTHER EMPLOYERS

The District will implement the following effective procedures to coordinate implementation of its plan with other employers (such as contractors and consultants) to ensure that those employers and employees understand their

Exhibit A

respective roles, as provided in the plan.

- All employees will be trained on workplace violence prevention.
- Workplace violence incidents involving any employee are reported, investigated, and recorded.

WORKPLACE VIOLENCE INCIDENT REPORTING PROCEDURE

The District will implement the following effective procedures to ensure that:

- Employees must report incidents of workplace violence to a supervisor or plan administrator as soon as the employee is safe. Supervisors must immediately report incidents of workplace violence to a plan administrator as soon as the supervisor is safe. The General Manager and other plan administrator(s) will determine what level of investigation and response is necessary.
- Reporting may be anonymous.

No employee will be subject to, and the District prohibits, any form of discipline or retaliation for reporting perceived violations of workplace violence or cooperating in any way in the investigation of workplace violence. If an employee believes someone has violated this no-retaliation provision, the employee should bring the matter to the immediate attention of a plan administrator. Anyone, regardless of position or title, who the District determines has engaged in conduct that violates this rule against retaliation will be subject to discipline, up to and including termination.

EMERGENCY RESPONSE PROCEDURES

The District has in place the following specific measures to handle actual or potential workplace violence emergencies:

- Effective means to alert employees of the presence, location, and nature of workplace violence emergencies by alarm systems and PA announcements used to alert employees of emergencies.
- Evacuation and sheltering plans including maps of evacuation routes, locations of emergency exit, and instructions for sheltering in place.
- How to obtain help from staff, security personnel, or law enforcement by contacting those listed in the table below.

In the event of an emergency, including a Workplace Violence Emergency, contact the following:

Responsible Persons	Job Title/Position	WVPP Responsibility(ies)	Phone #	Email
Hilary M. Straus	General Manager	Overall responsibility for the plan.	916-725-6873	hstraus@chwd.org
Police		Enforce the law, protect public order, and protect the public itself. For example, ensuring the safety, health, and possessions of residents, and preventing crime and civil disorder.	911	

Exhibit A

WORKPLACE VIOLENCE HAZARD IDENTIFICATION AND EVALUATION

The District establishes the following policies and procedures to ensure that workplace violence hazards are identified and evaluated:

- Inspections shall be conducted when the plan is first established, after each workplace violence incident, and whenever the District is made aware of a new or previously unrecognized workplace violence hazard.
- A plan administrator shall review all submitted/reported concerns of potential workplace violence hazards.

Periodic Inspections

Periodic inspections of workplace violence hazards will identify unsafe conditions and work practices. This may require assessment for more than one type of workplace violence. Periodic Inspections shall be conducted as specified in the table below.

Periodic inspections to identify and evaluate workplace violence and hazards will be performed by the following designated personnel in the following areas of the workplace:

Security Feature	Employee Responsible for Inspection	Inspection Frequency
Concrete giant oranges in front of the lobby to prevent someone from driving through the lobby	Safety Officer	Quarterly
Lobby door chime	Customer Service (CS) staff	Daily as customers come in
Protective glass between customers and employees	Safety Officer	Quarterly
Panic buttons at each customer service desk	Safety Officer, in coordination with local Police Department	Semi-Annual
Office doors have locks	Department Directors	Semi-Annual
Pedestrian gates restrict access to Operations Building doors	Operations Dept. employees	Daily (operated at the start and end of each workday)
One customer service desk has the main unit for the PA system, allowing CS staff to use a walkie-talkie type unit to also access the PA system	Safety Officer	Semi-Annual
All desktop phones have access to PA system that broadcasts both indoors and outdoors	Safety Officer to coordinate with all employees who have an office and desk phone	Semi-Annual
Locked doors leading to all employee-only areas (badge required)	All employees (all badge-locked doors are used daily by staff)	Daily
Locked perimeter gates (employees have gate openers)	All employees (all gates are used daily by staff)	Daily
Security cameras (17 exterior and two in the lobby)	Asst. Water Distribution System Supervisor	Daily
Block walls surrounding the property	Safety Officer	Quarterly

Exhibit A

Inspections for workplace violence hazards include assessing:

- The exterior and interior of the workplace for its attractiveness to robbers.
- The need for violence surveillance measures, such as mirrors and cameras.
- Procedures for employee response during a robbery or other criminal act, including our policy prohibiting employees, who are not security guards, from confronting violent persons or persons committing a criminal act.
- Procedures for reporting suspicious persons or activities.
- Effective location and functioning of emergency buttons and alarms.
- Posting of emergency telephone numbers for law enforcement, fire, and medical services.
- Whether employees have access to a telephone with an outside line.
- Whether employees have effective escape routes from the workplace.
- Whether employees have a designated safe area where they can go to in an emergency.
- Adequacy of workplace security systems, such as door locks, entry codes or badge readers, security windows, physical barriers, and restraint systems.
- Frequency and severity of threatening or hostile situations that may lead to violent acts by persons who are service recipients of our establishment.
- Employees' skill in safely handling threatening or hostile service recipients (example: security guards).
- Effectiveness of systems and procedures that warn others of actual or potential workplace violence danger or that summon assistance, e.g., alarms or panic buttons.
- The use of work practices such as the "buddy" system for specified emergency events.
- The availability of employee escape routes.
- How well the District's management and employees communicate with each other.
- Access to and freedom of movement within the workplace by non-employees, including recently discharged employees or persons with whom one of our employees is having a dispute.
- Frequency and severity of employees' reports of threats of physical or verbal abuse by managers, supervisors, or other employees.
- Any prior violent acts, threats of physical violence, verbal abuse, property damage or other signs of strain or pressure in the workplace.
- Other procedures to identify and evaluate workplace violence hazards.

WORKPLACE VIOLENCE HAZARD CORRECTION

Workplace violence hazards will be evaluated and corrected in a timely manner. The District will implement the following effective procedures to correct workplace violence hazards that are identified:

Exhibit A

- If an imminent workplace violence hazard exists that cannot be immediately abated without endangering employee(s), all exposed employee(s) will be removed from the situation.
- All corrective actions taken will be documented and dated on the record of workplace violence hazard identification, evaluation, and correction form by a plan administrator.
- Corrective measures for workplace violence hazards will be specific to a given work area.

PROCEDURES FOR POST INCIDENT RESPONSE AND INVESTIGATION

After a workplace incident, the WVPP administrator(s) or their designee will implement the following post-incident procedures:

- Visit the scene of an incident as soon as safe and practicable.
- Interview involved parties, such as employees, witnesses, law enforcement, and/or security personnel.
- Review security footage of existing security cameras if applicable.
- Examine the workplace for security risk factors associated with the incident, including any previous reports of inappropriate behavior by the perpetrator.
- Determine the cause of the incident.
- Take corrective action to prevent similar incidents from occurring.
- Record the findings and ensure corrective actions are taken.
- Obtain any reports completed by law enforcement.
- The violent incident log will be used for every workplace violence incident and will include information, such as:
 - The date, time, and location of the incident.
 - The workplace violence type or types involved in the incident.
 - A detailed description of the incident.
 - A classification of who committed the violence, including whether the perpetrator was a client or customer, family or friend of a client or customer, stranger with criminal intent, coworker, supervisor or manager, partner or spouse, parent or relative, or other perpetrator.
 - A classification of circumstances at the time of the incident, including, but not limited to, whether the employee was completing usual job duties, working in poorly lit areas, rushed, working during a low staffing level, isolated or alone, unable to get help or assistance, working in a community setting, or working in an unfamiliar or new location.
 - A classification of where the incident occurred, such as in the workplace, parking lot or other area outside the workplace, or other area.
 - The type of incident, including, but not limited to, whether it involved any of the following:
 - Physical attack without a weapon, including, but not limited to, biting, choking, grabbing, hair pulling, kicking, punching, slapping, pushing, pulling, scratching, or spitting.
 - Attack with a weapon or object, including, but not limited to, a firearm, knife, or other object.

Exhibit A

- Threat of physical force or threat of the use of a weapon or other object.
 - Sexual assault or threat, including, but not limited to, rape, attempted rape, physical display, or unwanted verbal or physical sexual contact.
 - Animal attack.
 - Other.
- Consequences of the incident, including, but not limited to:
 - Whether security or law enforcement was contacted and their response.
 - Actions taken to protect employees from a continuing threat or from any other hazards identified as a result of the incident.
 - Information about the person completing the log, including their name, job title, and the date completed.
 - Reviewing all previous incidents.

Ensure that no personal identifying information is recorded or documented in the violent incident log. This includes information which would reveal identification of any person involved in a violent incident, such as the person's name, address, electronic mail address, telephone number, social security number, or other information that, alone or in combination with other publicly available information, reveals the person's identity.

TRAINING AND INSTRUCTION

All employees, including managers and supervisors, will have training and instruction on general and job-specific workplace violence practices. These sessions could involve presentations, discussions, and practical exercises. Training and instruction will be provided as follows:

- When the WVPP is first established.
- Annually to ensure all employees understand and comply with the plan.
- Whenever a new or previously unrecognized workplace violence hazard has been identified and when changes are made to the plan. This additional training may be limited to addressing the new workplace violence hazard or changes to the plan.

The District will provide its employees with training and instruction on the definitions found on page 1 of this plan and:

- The employer's WVPP, how to obtain a copy of the employer's plan at no cost, and how to participate in development and implementation of the employer's plan.
- How to report workplace violence incidents or concerns to the employer or law enforcement without fear of reprisal.
- Workplace violence hazards specific to the employees' jobs, the corrective measures the District has implemented, how to seek assistance to prevent or respond to violence, and strategies to avoid physical harm.
- The violent incident log and how to obtain copies of records pertaining to hazard identification, evaluation and correction, training records, and violent incident logs.

Exhibit A

- Opportunities the District has for interactive questions and answers with a person knowledgeable about the District plan.

The District will use training material appropriate in content and vocabulary to the educational level, literacy, and language of employees.

EMPLOYEE ACCESS TO THE WRITTEN WVPP

The District ensures that the WVPP plan shall be in writing and shall be available and easily accessible to employees, authorized employee representatives, and representatives of Cal/OSHA at all times. The WVPP shall be available on the District's website.

RECORDKEEPING

The District will:

- Create and maintain records of workplace violence hazard identification, evaluation, and correction, for a minimum of five (5) years.
- Create and maintain training records for a minimum of one (1) year and include the following:
 - Training dates.
 - Contents or a summary of the training sessions.
 - Names and qualifications of persons conducting the training.
 - Names and job titles of all persons attending the training sessions.
- Maintain violent incident logs for minimum of five (5) years.
- Maintain records of workplace violence incident investigations for a minimum of five (5) years.
 - The records shall not contain medical information per subdivision (j) of section 56.05 of the Civil Code.
- All records of workplace violence hazard identification, evaluation, and correction; training, incident logs and workplace violence incident investigations required by [LC section 6401.9\(f\)](#), shall be made available to Cal/OSHA upon request for examination and copying.

EMPLOYEE ACCESS TO RECORDS

The following records shall be made available to employees and their authorized representatives, upon request and without cost, for examination and copying within **15 calendar days of a request**:

- Records of workplace violence hazard identification, evaluation, and correction.
- Training records.
- Violent incident logs.

REVIEW AND REVISION OF THE WVPP

The District WVPP will be reviewed for effectiveness:

- At least annually.
- When a deficiency is observed or becomes apparent.
- After a workplace violence incident.
- As needed.

Review and revision of the WVPP will include the procedures listed in the EMPLOYEE ACTIVE INVOLVEMENT section of this WVPP, as well as the following procedures to obtain the active involvement of employees and authorized employee representatives in reviewing the plan's effectiveness:

Exhibit A

- Review of incident investigations, workplace hazard identifications, and the violent incident log.
- Review that violence risks are being properly identified, evaluated, and corrected. Any necessary revisions are made promptly and communicated to all employees. These revisions could involve changes to procedures, updates to contact information, and additions to training materials.

EMPLOYER REPORTING RESPONSIBILITIES

As required by [California Code of Regulations \(CCR\), Title 8, Section 342\(a\). Reporting Work-Connected Fatalities and Serious Injuries](#), the District will immediately report to Cal/OSHA any serious injury or illness (as defined by [CCR, Title 8, Section 330\(h\)](#)), or death (including any due to Workplace Violence) of an employee occurring in a place of employment or in connection with any employment.
