DISTRICT STAFF REPORT TO BOARD OF DIRECTORS OCTOBER 30, 2023, SPECIAL MEETING

SUBJECT : CUSTOMER ADVISORY COMMITTEE UPDATES

STATUS : Business Item REPORT DATE : October 19, 2023

PREPARED BY : Ashley Metzger, Senior Advisor – Communications

OBJECTIVE:

Reengage the Customer Advisory Committee (CAC) to strengthen customer input on a wide range of Citrus Heights Water District's (CHWD's) policies, programs and projects.

BACKGROUND AND ANALYSIS:

Following the Board's adoption of Resolution 07-2023 on June 21, 2023, CHWD invited customers to apply to serve as residential members of the CAC. CHWD used many communication channels to engage the widest possible pool of applicants.

CHWD received 42 applications, 38 of which were for eligible customers. Following a rigorous review of the applications, CHWD staff is recommending 13 applicants and 4 alternates for Board appointment to the CAC. Staff evaluated candidates and suggested the recommended slate to ensure a broad bench of customers who:

- 1. are spread throughout CHWD's service area,
- 2. have different occupations and work backgrounds, and
- 3. are involved in the community in different ways.

Staff is recommending appointment as members or alternates to all eight (8) existing CAC members who submitted applications to continue serving on the CAC for a three-year term.

Per the existing resolution, each residential member will serve up to a three-year term and receive a per diem of \$50 for each day of CAC meeting attendance. Meetings are planned through 2024 starting with a welcome meeting on December 14.

The existing resolution does not have a provision for alternates, but after reviewing the slate of applicants, staff recommends that the Board of Directors adopt a new superseding resolution to allow for up to four (4) alternates to participate and receive a \$25 for each day of CAC meeting attendance.

RECOMMENDATION:

Adopt Resolution 15-2023 to allow for CAC alternates and supersede other provisions found in Resolution 07-2023.
